**Dear guests, dear friends of the  
[m]eatery + botanist bar,**

Botany is one of the oldest sciences of mankind. In essence, this science, also known as herbalism, aims to the effects of our seemingly endless plant world for mankind. We would like to take up this basic idea with our botanical bar menu. Our experienced and passionate bartenders combine tasty herbs, fresh fruits, colorful flowers or exotic spices with high-quality spirits as well as fresh non-alcoholic drinks. Follow the botanist bar on a foray through the taste worlds of our nature and let yourself be enchanted in our green and natural ambience in our green and natural ambience.
